Training 7: Vamp up your validation. An introduction to the CMP TCF v2.0 Validator tool

Patrick Verdon
Technical Director, IAB Europe

iabeurope.eu

iab.europe

Agenda

- Compliance process for v2.0

- CMP Validator v2.0 demo

  - Information section
  - Technical checks
  - Policy checks
- Q&A

Compliance process for v2.0

- Review process in the [user guide](#)

- Request access to Validator (tcf.compliance@iabeurope.eu)

- Run the Validator and go through all the v2 checks

- When your CMP passes all checks, email the results to tcf.compliance@iabeurope.eu for verification

- We will help you resolve any compliance issues

- When compliant, your CMP will be added to the list of v2.0 compliant CMPs on the [website](#) and to the [cmp-list.json file](#)
