

MIXX Awards Europe 2023 Entry Notes

The MIXX Awards Europe recognise and celebrate the best digital advertising campaigns in Europe. Winning entries will be showcased to educate the marketplace about what works and why in digital marketing, as well as inspire the industry by highlighting new ideas and future trends.

All European campaigns that have been entered into a national or international award competition are invited to participate.

Gold, Silver and Bronze awards are available for each category. Gold award winners will be entered into the MIXX Grand Prix award representing the pinnacle of achievement in European digital marketing this year.

Winning projects will become part of the IAB Europe Knowledge Hub, a library of resources for industry professionals to use in their strategies and daily work. Here are some examples of recent winners:

5. Judging process

1. Judges give a score against each criteria for each entry as per the criteria outlined above.
2. These are then combined to create an overall score for each entry.
3. All judges' scores are totaled and the highest scoring entries will determine the shortlist.
4. Judges meet to discuss the highest scoring entries and then agree on winners for each category.

The judging will take place at the end of April. If the judges require further information on some of the shortlisted projects, those requests will be sent out during April.

The 2023 winners will be announced at the IAB Europe Interact conference taking place on 23-24 May in Madrid.

6. Entry requirements

For full entry requirements please see the entry forms online:

[MIXX Awards Europe entry form](#)
